

## Welcome Baby Refer-A-Friend Eligibility Details

### For Referrers:

- You do not need to be a previous Welcome Baby family to participate.
- Multiple families can refer the same person, and each completed visit counts as a separate entry for that referrer. So, if more than one family lists your name, each counts as its own entry into the drawing.

### For Referees (Families Being Referred):

- The referred family must select "Welcome Baby Refer a Friend" during their visit registration under the "How did you hear about us?" section and provide the referrer's name and contact information to ensure the referrer is eligible for the drawing.
- Only one entry per referred family is allowed.
- The referred family must live in Greater Boston within the CJP catchment area (insert link to list of towns).
- The baby must be under 7 months old, and at least one parent must identify as Jewish, in line with the funder's guidelines.
- The visit must be completed within the program's time frame for the referrer to be eligible for the prize.
- If a referred family pre-registers for a visit but hasn't yet completed it (e.g., if the baby hasn't been born yet), the referrer won't be eligible for the drawing until the visit is completed during the promotion period.
- Families referred from outside the eligible area or with babies older than 7 months do not qualify for the prize.

### Reward Details

To be eligible for the referral reward, all referrals must meet the Terms and Program criteria.

### Prize Details:

- Only the person making the referral ("referrer") is eligible to win the reward, not the person referred ("referee").
- Each month of the promotion, one referrer will be randomly selected to win a \$50 Amazon gift card, sent either electronically or by mail after the referred visit is completed.
- The winner will first be notified via email and must confirm their correct email address before the gift card is sent.

### Winner Notification:

- Attempts to notify the winner will be made using the email address provided during entry.
- JCC is not responsible for any communication issues, such as email or phone problems.
- If the winner does not respond within 15 days of the first notification attempt (or sooner, depending on circumstances), or if the prize notification is undeliverable, the prize will be forfeited, and an alternate winner may be chosen.
